### **Specific prayer points:**

We are currently working towards employing a new worker who will assist in our teaching and will also be tasked with developing other aspects of our ministry alongside others in the church. This is a big step for us as a church and we would value your prayers for:

- Wisdom in dealing with the processes and approvals from outside agencies which need to happen to progress with the appointment.
- Unity, enthusiasm and excitement within the church towards the vision for the new role.
- Finance and our faith – that God will teach us to rely on His provision more and more.

*We would also ask you to pray for the following for our fellowship:*

- For increased desire to seek God and know the man Jesus.
- That we would be prepared to show our love for each other in the ways God requires of us.
- For the leadership team and those who lead our various ministries, for closeness of relationship with the Lord, for wisdom in leadership and for humility as we seek to bring glory to Him in word and action.
